Hello from the Head...

It's been a busy week at Astley; with lots going on all around us, your children have done a sterling job at doing all things ACE and coming back after half term with a bang. SLT have been working hard to process new guidance and feel very happy with procedures in place to keep Astley moving forward. A MASSIVE THANK YOU to all for being so cooperative and making this a smooth success.

This week you should all have received exciting information about 'DB Primary', which is our new online learning platform for our remote education programme 'REPL-ACE.' Your child should be coming home with their log in details; feel free to have a look and explore the platform. Children will also be looking at this together with their teacher in school. If you are unsure or have any questions please contact your class teacher.

You will have received the letter regarding the closure of Astley Acorns – my massive thanks goes again to everyone involved and those families who have supported it, also thank you to Mrs Allen who has played an important part in our after school provision over the years.

Unfortunately, due to new government guidance as of next week all ACE clubs will stop. This is a real shame as the children have been loving them – and thank you to our fab staff for giving up their precious time. We very much hope that these will be back up and running again soon.

I hope you have a lovely weekend; I know it is tricky and different and to some it feels like things are going backwards...but hang on in there, let's do our bit and keep finding the sunshine.

Mrs Goakes
