## Hello from the Head...

### HALF TERM IS HERE!

I want to say a massive and truly heart felt WELL DONE to each and every one of you for the last 6 weeks! Yet again – we were all plunged very quickly into another different situation, and, yet again this ACE community has risen to the challenge. You should be very proud of how you have adapted so quickly to what we all thought would be a very different half term. It is easy to forget how far we have come, which is why it is so important to take time to reflect and look back at what we have all achieved in a short space of time. We have engaged fully in remote education, the children have been amazing, parents have been juggling work and home learning and we have kept our team spirit going. It is often the children that adapt quickest; they can teach us a thing or two I think!

THANK YOU SO MUCH to our fantastic staff...they have planned, zoomed, taught, called, cleaned, supervised and everything else in between! Working from home might have seemed a luxury in the past, but we know it certainly brings its challenges! For their hard work and support when in school and at home- I am so grateful; I know that their care and passion for the children is first class.

I am really excited to be presenting my Headteacher Awards for this half term – the super stars below will be joining me today for a zoom hot chocolate! They also received some goodies in the post – really well done to them all.

We are hoping for a brighter half term...and positive news of when we can all be together again. For now though, please enjoy a break next week - enjoy some pancakes - enjoy each other, and we will be ready and waiting on the other side to get cracking on Monday 22<sup>nd</sup> February for Live Starts at 9am.
