Learning is ACE

Friday 19th March 2021

Edition 063

Hello from the Head...

We have LOVED getting funny this week and sharing our jokes in school! It's such a powerful way to share a smile and show our creativity and individuality too. Check out twitter if you haven't already. We are proud to be supporting **Comic Relief** today and sporting our crazy hair...thank you for your kind donations.

We have had a few requests regarding bringing things in for birthdays...I LOVE BIRTHDAYS so am sad that we can't do all the usual things we would like to. We are, however, allowing shop bought items only to be brought into school that are individually wrapped, if your children would like to share these with their friends. As always, any issues or questions, just get in touch with us.

WELL DONE to our brilliant Bears for being top attendance class this week!

We are excited about our Music ACE Focus Day next Thursday – look out for more details and all the action next week. Have a fantastic weekend with your families.
