## Hello from the Head...

We have had a super first week into our summer term and have enjoyed seeing our friends and getting back into the swing of ACE learning. A very warm welcome to Miss Dagless who started this week teaching in Tigers class – she has already settled in fantastically as part of the team.

Thank you all for your contributions before Easter on mufti day in support of our sensory garden / outdoor project – the Friends raised an ACE £130! Thank you for your continued support; the garden is looking brilliant already.

Our new clubs kicked off this week and we hope the children are enjoying the range of opportunities on offer. Please let the office know if you have any booking issues or if you would like to be added to the waiting lists.

The excitement levels were high for our Lions and Tigers this week as it was their turn to get involved in Forest Schools – despite the challenging weather! We are really proud of our Forest School outdoor learning offer, and the way this weaves into our Science curriculum as well as many other areas. A big shout out to Mr Dart for his passion, enthusiasm and skills for making this such an important and vibrant part of our school community – we are grateful for you Mr Dart!

Next Tuesday we celebrate our Science ACE Day, with lots of exciting things in store. The theme this year as part of British Science Week is 'Time' and Mrs Hamilton has worked hard to plan an enriching day. We also have a volunteer from Reepham High School Science Department coming in to work with classes; we look forward to a brilliant day.

On Wednesday our ACE Governors will be in school all day learning more about our school, curriculum and team; we look forward to working with them.

Exciting news for our lovely TA Miss Morant, who is expecting a baby in July. We are really pleased for her and wish her and her family every happiness.

A big well done to our first certificate winners of the term and those who went over and above this week to enjoy a hot chocolate treat today.

It's my ACE Music Mix tunes today to kick off summer term.  
Have a brilliant weekend and we look forward to seeing you on Monday.
