Hello from the Head...

I started the week talking all about 'Empathy' and how important a skill / value this is. The children showed great understanding and we also linked it to Safer Internet Day which we celebrated on Tuesday. All classes got involved and we explored many areas of internet use, including AI and how we can use this responsibly. Our visitor PC Elliott led an assembly for Key Stage Two and talked all about safety on devices and what to do if we are worried or unsure. It was a really informative and fun day – thank you to Mrs Hamilton for organising.

Well done to all our award winners this term, and our special Headteacher Awards today. We are so proud of the hard work and positive attitudes our children show every day, thank you for your continued support with this.

Next half term Dolphins will continue swimming on a Monday, and Tigers, Penguins and Bears will continue with Forest School. In order to contribute to the smart school uniform that everyone has been making a real effort to wear (thank you) please can you make every effort to ensure your child wears plain blue / black clothes for Forest School (similar to PE kit.)

For Forest School sessions, please avoid large logos, markings, patterns and bright colours where possible. PE kit would be suitable, as children are wearing coats / puddle suits and wellies anyway over the top. Thank you in advance.

As school is closed over the half term break, your normal paths to support may not be available so I'd like to remind you of other sources of help you can access. The 'Just One Norfolk' phone line and website are a good place to go - 0300 300 0123. In an emergency, where you believe the safeguarding of a child is at risk, you can call the Children's Advice and Duty Service on 0344 800 8020.

Enjoy my Friyay tunes today and have a really lovely half term break.

PC Elliott on Safer Internet Day

Phil - a local bird enthusiast installing an owl box with Tigers class

Bears learnt all about trusted adults
