### **Reading and Homework:**

Please ensure **reading journals are brought into school daily**. Please remember to record when you have listened to your child read. This will be acknowledged by staff on a Wednesday during the ACE book share and your child may be put forward to receive a reading prize!

For maths homework, children are expected to practice the times tables that they are focussing on in class in preparation for weekly test practise. These can be practised in whichever way suits you best. If you have access to the internet, your child can use TT Rockstars giving them access to games and practice tests that monitor their progress. They may even earn a Rock Star Status for our class leaderboard! Just go on 'Studio' game mode!

In addition to this, children will be sent home with focused spellings and can practise these on the 'Emile' app/browser.

Please may I remind you to always let the office know in writing of any changes in collection arrangements for your child going home. This will allow me to ensure that your child goes home safely.

I am looking forward to another happy, hardworking, and successful term! Our weekly Astley Advertiser gives key dates and information about what is happening in school. To find out more about what we have been up to in class, please follow us on Instagram!

Many thanks for your continued support.

Yours sincerely,

Mrs Hamilton
