

The Big Picture of Autumn 1 in Bears Class

PSED

We are learning to:

- *Follow the class rules (including basic hygiene)
- *Join in with circle time activities
- *Manage our feelings and friendships

Communication and Language

We are learning to:

- *Talk about myself, my family and my interests
- *Recreate experiences using the role play area
- *Listen to a story, and to others when they are speaking

Physical Development

We are learning to:

- *Write some letters clearly
- *Use tools and equipment to produce artwork

We will also be starting a P.E unit!

Expressive Arts and Design

We are learning to:

- *Use different media and materials to make representations of ourselves
- * Draw and paint familiar places
- *Learn and sing simple rhymes

Understanding of the World.

We are learning to:

- *Discuss places that are important
- *Compare places and discuss changes over time
- *Make and use simple maps

Let's
Explore

Mathematics

We are learning to:

- *Subitise amounts up to 4 (work out totals without counting).
- *Practise developing 1:1 correspondence, by counting numbers at the same time as tagging the objects
- *Explore how numbers can be composed of 1s and, from this, begin to investigate the composition of 3 and 4.
- * Use the language (*fewer than/more than*) of comparison to describe sets of objects that they can see.

Literacy

We are learning to:

- *Recognise our set 1 sounds
- *Write our set 1 sounds
- *Orally blend sounds together
- *Hear and say initial sounds in words
- *Practise writing our names correctly with the correct letter formation
