

Astley Primary School Collective Worship Policy

Philosophy

Astley Primary School is a Community school. Worship is therefore an important part of the school day as it gives us the opportunity to come together as a community. It is attended by students, staff and any visitors in school are very welcome to join in.

At Astley Primary School we recognise that Collective Worship is an important opportunity to provide opportunities for our students Spiritual, Moral, Social and Cultural development.

- provide members of the school community with the opportunity experience stillness and quiet
- provide members of the school community with the opportunity respond to Christian language and symbolism

- provide a foundation for a mature understanding and practice of worship in the future.

Legal Status of Collective Worship

The 1988 Education Reform Act requires that 'all pupils in attendance at a maintained school shall on each day take part in an act of Collective Worship'. We

seek to do our best to keep the spirit of this legislation seeking to provide as many high quality acts of worship as is practically possible.

To provide students with variety in their experience of worship acts of worship may take the form of a whole school act of worship for all pupils or separate acts of worship for students in different age groups or school groups. Collective Worship may be held at any time during the school day.

The responsibility for arranging school worship in our school rests with the head teacher who delivers collective worship with other members of our senior leadership team.

All acts of worship are in accordance with the guidance issued in circular 1/94 which states that worship should be of a 'wholly or mainly of a broadly Christian character' and not distinctive of any particular Christian denomination. By broadly Christian in this school we mean that: -

- Worship contains some elements that accord special status to Jesus, his teachings and actions, e.g. The Sermon on the Mount.
- Sharing with students the Christian belief that all Christians are called to continue Jesus' work of love and compassion for their fellow human beings through the exploration of key Christian concepts such as Love, trust, forgiveness, mercy, humility, courage and integrity, respect for life, value of an individual, justice, co-operation and service, honesty and truthfulness.

Acts of Collective Worship at Astley Primary School take into account the student's ages, aptitudes and family backgrounds.

The head teacher and governors, on advice from the Worship co-ordinator, may apply for a determination from SACRE if there are a large number of pupils in the school from a particular non-Christian faith background.

The school recognises that there is a difference between Acts of Collective Worship and the assembly of students. On some occasions assembly may proceed or follow and Act of Collective Worship. When this happens the transition from Assembly to worship will be marked in some suitable way e.g. the lighting of a candle or reflecting on an image on the smartboard, moment of silences and reflection etc

Rights of Withdrawal

At Astley Primary School we seek to be an inclusive community however we respect the right of parents to withdraw their children for Collective Worship. This school expects that withdrawal will only be made following parental discussion with the head teacher/worship co-ordinator followed by written confirmation of withdrawal.

The school has a system of suitable supervision for students withdrawn from Acts of Collective Worship. However, no additional work is set or followed in this time.

All teachers, including the head teacher, have the right of withdrawal from the Act of Collective Worship, but the head teacher, should he or she wish exercise this right, maintains statutory accountability for Acts of Collective Worship in our school.

This right of withdrawal doesn't extend to assemblies.

Planning, Recording and Evaluation

Collective worship will be treated like any other part of the curriculum when it comes to matters of planning, delivery, resourcing and evaluation. The content and methodology of Collective Worship should be varied and there should be evidence of this in planning.

Each week/month/term there is a theme for Collective worship/based on SEAL/Values for Life/. By the end of the week the students will have had the opportunity to reflect on the theme.

This pattern is flexible and on occasions it is recognised that teachers may feel that they need to respond to local or national events.

Each person leading worship is asked to plan his or her act of worship in as much detail as they would any learning activity. A worship-planning group meets once a term led by the worship co-ordinator. These meetings are an opportunity to review and evaluate the last terms Acts of Collective Worship and to plan themes for the next term.

Graham Pickhaver, one of the schools governors, has a role monitoring Collective worship at the school.

We seek to encourage pupils to voice their views on collective worship and to be a part of the evaluation process. The class councillors regularly seek the views of their classmates and reports these findings to the school council.
