## 1. Aims and objectives

Our special educational needs and disabilities (SEND) policy aims to:

- › Make sure our school fully implements national legislation and guidance regarding pupils with SEND.
- › Set out how our school will:
  - Support and make provision for pupils with special educational needs and disabilities.
  - Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND.
  - Help pupils with SEND fulfil their aspirations and achieve their best.
  - Help pupils with SEND become confident individuals living fulfilling lives.
  - Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil.
- › Explain the roles and responsibilities of everyone involved in providing for pupils with SEND.
- › Communicate with, and involve, pupils with SEND and their parents or carers in discussions and decisions about support and provision for the pupil.
- › Make sure the SEND policy is understood and implemented consistently by all staff.

## 2. Vision and values

At Astley Primary School we value every pupil and aim to provide a curriculum which, inspires, challenges, and safeguards all our pupils no matter where their starting point is and encourages them to become lifelong learners.

We provide our children with a rich, diverse, and balanced curriculum.

We are committed to making sure all our pupils have the chance to thrive and in supporting them to meet their full potential.

We are focused on creating an inclusive environment, where reasonable adjustments are made so that provision is tailored to the needs and abilities of pupils, no matter how varied.

## 3. Legislation and guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- › [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- › [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- › The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- › The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- › The [Governance Handbook](#), which sets out trustee's responsibilities for pupils with SEND.
- › The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

## 4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced, and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum, and the school environment to make sure that pupils with SEND are included in all aspects of school life.

## 5. Definitions

### 5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools.

**Special educational provision** is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

### 5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

### 5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication.  Pupils who are on the autism spectrum often have needs that fall in this category.

AREA OF NEED	
Cognition and learning	<p>Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none"> <li>• Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia.</li> <li>• Moderate learning difficulties</li> <li>• Severe learning difficulties</li> <li>• Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment</li> </ul>
Social, emotional and mental health	<p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none"> <li>• Mental health difficulties such as anxiety, depression or an eating disorder</li> <li>• Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder.</li> <li>• Suffered adverse childhood experiences.</li> </ul> <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p>
Sensory and/or physical	<p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none"> <li>• A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment</li> <li>• A physical impairment</li> </ul> <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p>

## 6. Roles and responsibilities

### 6.1 The SENCO

The SENCO at our school is Miss Coleman (contact number 01263 860212)

They will:

- › Inform any parents that their child may have SEN and then liaise with them about the pupil's needs and any provision made.
- › Work with the headteacher and SEN governor to determine the strategic development of the SEND policy and provision in the school.
- › Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans.

- › Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching.
- › Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils.
- › Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- › Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided.
- › Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned.
- › Work with the headteacher and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements.
- › Make sure the school keeps its records of all pupils with SEND up to date and accurate.
- › With the headteacher, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development.
- › With the headteacher, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer.
- › Prepare and review information for inclusion in the school's SEN information report and any updates to this policy.
- › With the headteacher and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching.

## **6.2 The governing board/board of trustees**

The governing board is responsible for making sure the following duties are carried out, though the duties can be delegated to a committee or an individual:

- › Co-operate with the LA in reviewing the provision that is available locally and developing the local offer.
- › Do all it can to make sure that every pupil with SEND gets the support they need.
- › Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND.
- › Make sure that the school has arrangements in place to support any pupils with medical conditions
- › Provide access to a broad and balanced curriculum.
- › Have a clear approach to identifying and responding to SEND.
- › Provide an annual report for parents on their child's progress.
- › Record accurately and keep up to date the provision made for pupils with SEND.
- › Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report.
- › Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favorably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans.
- › Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out.
- › Determine their approach to using their resources to support the progress of pupils with SEND.

### **6.3 The SEND link governor**

The SEND link governor is Mrs Claire Newstead

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings.
- Monitor the quality and effectiveness of SEND provision within the school and update the governing board on this.
- Work with the headteacher and SENCO to determine the strategic development of the SEND policy and provision in the school.

### **6.4 The headteacher**

The headteacher will:

- Work with the SENCO and SEND link governor to determine the strategic development of the SEND policy and provision within the school.
- Work with the SENCO and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements.
- Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress.
- Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils.
- Make sure that the SENCO has enough time to carry out their duties.
- Have an overview of the needs of the current cohort of pupils on the SEND register.
- Advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review.
- With the SENCO, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development.
- With the SENCO, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer.
- With the SENCO and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching.

### **6.5 Class teachers**

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach.
- The progress and development of every pupil in their class.
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching.
- Working with the SENCO to review each pupil's progress and development, and decide on any changes to provision.
- Ensuring they follow this SEND policy and the SEN information report.
- Communicating with parents regularly to:
  - Set clear outcomes and review progress towards them.
  - Discuss the activities and support that will help achieve the set outcomes.

- Identify the responsibilities of the parent, the pupil and the school.
- Listen to the parents' concerns and agree their aspirations for the pupil.

## 6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- › Invited to termly meetings to review the Pupil Passport provision that is in place for their child.
- › Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs.
- › Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil.
- › Given an annual report on the pupil's progress.

The school will take into account the views of the parent or carer in any decisions made about the pupil.

## 6.7 The pupil

If able to do so, pupils will be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- › Explaining what their strengths and difficulties are
- › Contributing to setting targets or outcomes
- › Attending review meetings
- › Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

## 7. SEN information report

The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

## 8. Our approach to SEND support

### 8.1 Identifying pupils with SEND and assessing their needs

At Astley Primary School, children are identified as having SEN through a variety of ways including the following:

- Liaison with previous school/setting
- Foundation Stage assessment
- Conversations with parents following concerns
- Conversations with staff following concerns raised regarding academic and other progress
- Assessing Pupil Progress through Pupil Asset – monitored carefully during Pupil Progress meetings
- Pupil Progress measured for each child on a termly basis
- Assessments carried out by the Class Teacher (formative assessment and summative assessment, for example NFER tests, MOCK SATs)
- Liaison with External agencies

- Assessments carried out by the SENCo for example Dyslexia Portfolio assessment, Sandwell Early Numeracy (KS1 and KS2/3) and The British Picture Vocabulary Scale.
- Identification through involvement of EHAP/CIN/MAPT meetings
- Parental contact through open door policy

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- › Is significantly slower than that of their peers starting from the same baseline
- › Fails to match or better their previous rate of progress
- › Fails to close the attainment gap between them and their peers
- › Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs.

When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Children will be placed on a Pupil Passport after discussion with parents and given additional intervention time to work on specific outcomes. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- › Their previous setting has already identified that they have SEN
- › They are known to external agencies
- › They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

## **8.2 Consulting and involving pupils and parents**

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil (where appropriate) and their parents. These conversations will make sure that:

- › Everyone develops a good understanding of the pupil's areas of strength and difficulty.
- › We take into account any concerns the parents have.
- › Everyone understands the agreed outcomes sought for the child.
- › Everyone is clear on what the next steps are.

## 8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

### 1. Assess

The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

### 2. Plan

In consultation with the parents and the pupil (as appropriate), the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on a pupil passport.

Parents will be aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

### 3. Do

The pupil's class or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

### 4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils.
- The level of progress the pupil has made towards their outcomes.
- The views of teaching staff who work with the pupil.

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

## 8.4 Levels of support

### School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

## **Education, health and care (EHC) plan**

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

## **8.5 Evaluating the effectiveness of SEN provision**

We evaluate the effectiveness of provision for pupils with SEN by:

- › Tracking pupils' progress.
- › Carrying out the review stage of the graduated approach in every cycle of SEN support
- › Using pupil questionnaires
- › Monitoring by the SENCO
- › Holding annual reviews for pupils with EHC plans
- › Getting feedback from the pupil and their parents

## **9. Expertise and training of staff**

Training will regularly be provided to teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

## **10. Links with external professional agencies**

The school recognises that it won't be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:

- Speech and language therapists
- Specialist teachers or support services
- Educational psychologists
- Occupational therapists, speech and language therapists or physiotherapists
- General practitioners or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Education welfare officers
- Social services

## **11. Admission and accessibility arrangements**

For the pupils who are joining the school, the school offers parents and pupils the opportunity to visit and spend time in their relevant year group. Additional visits and meetings can also be arranged as appropriate. Files from the child's previous school are passed on to the Class Teacher and contact made with the child's previous school is sought if necessary.

Prior to pupils joining the Reception class, the Class Teacher and her team will liaise with the Nurseries and visit the children in their Nursery environment. The Foundation Stage team will invite parents to attend a meeting to discuss the transition. The SENCO is also available during this meeting so that parents can discuss any individual needs. School also offers parents and children the opportunity to come into school for a

Teddy Bear's Picnic. The school also offers 3 Induction visits for Foundation Stage children where they can become familiar with their new environment and the members of staff who will care for them while in school.

When a child is progressing within the school, clear information is passed to the child's new teacher and parents can meet with new teachers if they require. The children take part in a 'ACE Year Ahead' days where the class spend time with their new teacher.

If a child is moving to a new school or onto High School, the child's file is passed onto the new school and contact is made with the child's new school if necessary. The child visits their feeder High School and additional visits can also be arranged if appropriate. For children with an EHCP the SENCO/staff representative from the child's new school will be invited to attend.

All areas of the school site are accessible to pupils. The main school buildings and hall are wheelchair accessible. The school has appropriate disabled changing and toilet facilities located in the Foundation Stage/Key Stage 1 and Key Stage 2 school buildings. Reasonable adjustments are made so that children can access their learning environment e.g. teachers wearing a microphone.

The school's Accessibility Plan is available on the school website.

## 12. Complaints about SEND provision

Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class teacher/SENCO. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.

Formal complaints about SEND provision in our school should be made to the SENCO/headteacher in the first instance. They will be handled in line with the school's complaints policy.

If the parent or carer is not satisfied with the school's response, they can escalate the complaint to the Chair of Governors. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

## 13. Monitoring and evaluation arrangements

### 13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- › All staff's awareness of pupils with SEND at the start of the autumn term
- › How early pupils are identified as having SEND
- › Pupils' progress and attainment once they have been identified as having SEND
- › Whether pupils with SEND feel safe, valued and included in the school community
- › Comments and feedback from pupils and their parents

### 13.2 Monitoring the policy

This policy will be reviewed by the SENCO **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.

## 14. Links with other policies and documents

This policy links to the following documents:

- › SEN information report

- › The local offer
- › Accessibility plan
- › Behaviour policy
- › Supporting pupils with medical conditions policy
- › Attendance policy
- › Safeguarding / child protection policy
