Children's Services Astley Primary School

WHOLE SCHOOL ATTENDANCE POLICY

Astley Primary School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavor to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to various education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education

Each year the school will set attendance/absence targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents and the child.

The Home/School agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

We will ensure that our pupils are made aware of the importance of good attendance and how this will benefit them.

Leave of absence in term time

Leave of absence during term time will be discouraged. Parents will be reminded of the effect that absence can have on a pupil's potential achievement. The school will consider any application for leave of absence and will only agree to authorize the absence in exceptional circumstances; parents must apply in advance for permission for their child to have leave of absence.

A model leave of absence form is available in the Behaviour and Safety/School Attendance section of the Norfolk schools website

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unauthorised.

The coding for any absences will be in accordance with the guidance provided by the Department of Education.

Registers

[Astley Primary School use electronic copy of registers. All teaching staff have access to these systems.](#)

Lateness

Morning registration will take place at the start of school at 8.45am. The registers will remain open for 15 minutes. Any pupil arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation i.e. school transport was delayed. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered.

The afternoon registration will be at 1.00pm

[The afternoon registration will close at 1.15pm](#)

Pupils arriving after the start of school but before the end of the registration period will be coded as late before registers close.

First Day Absence

First day absence texts are sent by the Reception and Admin Officer by 10.30am. These are recorded on the 'Record of First Day Absence Texts' which is located at the back of the register.

Parents are expected to contact the school to explain the reason for absence. This message is relayed to the class teacher who enters the data on the register as appropriate.

If parents do not contact the school then a phone call is made by the Reception and Admin Officer.

Third Day Absence

If a child is still away and a reason is not given then the Reception and Admin Officer will mark the attendance register unauthorised

Continuing Absence

If a reply is still not received then this is followed by a letter from the Attendance Co-ordinator. A 'Children Missing Education' form will also be completed and to the CME department on the occasion that a child is missing education for 10 consecutive days. The School Attendance Improvement Officer will also be informed.

Ten Day's Absence

Any pupil who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Staff for the local area. [*This is a legal requirement*]. The school will include details of the action that they have taken.

Absence notes

Notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period.

Frequent Absence

Within the school it is the responsibility of /the **Class Teacher/Attendance Officer** to be aware of and bring attention to, any emerging attendance concerns. In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible. **On the occasion that absence falls below 90% then contact is made by the Attendance Officer to Parents to resolve the problem. Should the problem then not be resolved then contact will be made by the schools Attendance Officer to the School Attendance Improvement Officer with a view to starting the Fast Track attendance process.**

Persistent Absence [PA]

All pupils whose attendance level falls below 90% will be subject to an action plan to support their return to full attendance. These action plans will be set up by the [Attendance Officer](#).

The action plan will include engagement with all parties who can support the pupil's attendance.

A Welcome Back

It is important that on return from an absence all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Attendance Awards

The school will use the following system to reward pupils who have good or improving attendance. This procedure has been adjusted due to the COVID pandemic.

Children are rewarded with a certificate on a termly basis when they achieve 100% attendance for that term. Classes are rewarded with a certificate half termly on the occasion that their attendance is the highest within the school. Classes are also rewarded if they achieve 100% in a week. The certificates are signed by the Head Teacher and celebrated in the achievement assemblies which are held on a Friday morning. Parents are invited to these assemblies and the certificates are displayed outside the school foyer in the Attendance cabinet.

Categorisation of Absence

Any pupil who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence
2. Authorised Absence
3. Approved Educational Activity

1. Unauthorised absence

Attendance Targets

The school will set attendance targets each year. A system for analysing performance towards the targets will be established and a senior school manager will be responsible for overseeing this work. The school will make use of the attendance data available on the "RAISEONLINE" system, when setting its target. Targets will relate to national averages.

Our schools targets are:

Attendance rate of 95% or above

Action Plan

The school will produce an action plan to show how the school will set about achieving its attendance targets.

Any pupil with attendance below 90% over the school year is known as a persistent absentee, whatever the reason for the absences. The DfE has indicated that the level of absence that defines a child as being classed as PA may be reduced in future years.
