Hello from the Head...

What an action-packed week we are having! It is Anti Bullying Week this week and we have loved celebrating kindness and appreciating differences. It is so important for us all to learn about bullying and how to manage it, and is something we regularly talk about in our Life Skills lessons too. We have been thinking about 'One Kind Word' and how we can all make a positive difference to someone's day. Please check out our class twitter pages for all the action.

We celebrated Harvest on Wednesday with our Harvest assembly. It was so fantastic to see the children giving their thanks and being grateful and we are really pleased to have offered such a generous donation to the Norfolk Food Bank. Thank you all for your contributions. As part of our ACE Illuminations Event on 3rd December we will be holding a bake sale - look out for further information.

Our House Teams have been busy showing their art skills this week in our art competition – winners to be announced soon! Children are also busy designing posters for the ACE illuminations event on Friday 3rd December. We are all so excited about the big switch on hosted by our wonderful Friends of Astley, and the winners of the competition will have the special honour of turning on the lights. Poster entries are due in on Monday 22nd November.

It is CHILDREN IN NEED DAY! Everyone looks fantastic in their rainbow attire and we are excited to donate our contributions to such a worthwhile cause.

We ABSOLUTELY LOVE weeks like this; giving our children all the opportunities is exactly what we are all about and the energy and spirit of this team is impressive.

Miss Wreford chose the Feel Good Friyay tunes this week – grab yourself a hot chocolate from our Friends after school and enjoy! Have a wonderful weekend.
