Hello from the Head...

A very warm welcome back to you all, I hope you had a wonderful break with your families. It's been a great start to the term; we have been thinking about resolution and how we can all get the best out of each ACE day.

We are excited to be back in school and loving our learning, but obviously we are aware that there are still COVID cases in the community. Please be assured that we are following local and government guidance and have contingency plans as needed. We still have our fantastic Remote Education platform in place (DB Primary) and in the event of isolation we will be setting online learning alongside our ACE curriculum. Teachers will endeavour to have this in place as soon as possible, but is guaranteed to be live within 48 hours of notification. Please do continue to communicate with us and let us know of any issues or concerns.

Our ACE clubs kick off next week – you should have signed up and had confirmation of these by now. If your child did not get into the club of their choice – give us a ring and we will put them on the waiting list.

I would like to take this opportunity to thank you all for your cooperation since we have become cashless. This really does make a difference to our fab office staff, and hopefully you find it more efficient too.

Forest School Wednesdays have launched again! Bears continue their outdoor learning adventures and this term Turtles and Dolphins have this fantastic opportunity. We feel very lucky to have such incredible grounds and our expert Mr Dart leading the way.

Today's ACE MUSIC MIX was chosen by Mrs Hunt – enjoy the tunes!

Have a lovely weekend.

Mrs Goakes
