## Hello from the Head...

What a fantastic first full week here at Astley HQ! Mr Seager kicked off the week with a thought-provoking assembly about our learning theme DEMOCRACY...which led to an extra five minutes of playtime today! The children have enjoyed exploring democracy and thinking about ways we can show this in school.

It has been brought to my attention that some children in school are talking about online games which are not age appropriate. It is unclear whether the games are being played, but some children are aware of them and are speaking about them in school. These games contain content not suitable for primary age children. Please remember that it is everyone's responsibility to keep children safe online, check out <https://www.nspcc.org.uk/keeping-children-safe/online-safety/> and let us know if you have any further queries around this, we are always happy to help.

Please remember that parents and carers shouldn't be parking in the school car park, unless using a disabled space or by appointment. There have been several occasions where staff have been unable to access their cars this week. There is a drop off zone for you to drive through, please let's work together to make school a safer place.

We have some **VERY EXCITING NEWS** coming to you later ...watch this space!

Today's ACE MUSIC MIX was chosen by Mrs Hilling – enjoy!

Have a great weekend.
