Hello from the Head...

Welcome back to the last half term of the year! We had an amazing Jubilee celebration on the last day of term, and I hope you all enjoyed it too. The children produced some fantastic work and the team have begun work on our sensory garden. Each child planted a sunflower, and these are beginning to grow already! We look forward to our garden developing over time. A big thank you again to all staff who helped and contributed to the day, our brilliant Friends of Astley and our super kitchen team who really did go over and above.

One of our lovely governors and a team from the church have been in school working with us this week for our two day 'Soul Space' focus. This was a great opportunity for our children to reflect, think and collaborate in different ways. A big thank you to them for giving up their time, and it was lovely to see so many families at our drop in session.

Next Thursday 16th is our Maths ACE Focus Day...Mrs Anderson has an exciting day planned and the theme will be based around the outdoors. Children are welcome to dress up in a number/maths theme, or in their PE kit. Please join us for a morning sharing activity in classes from 8:30am.

Active Week plans (w/c 20th June) are well underway and we can't wait for a fun filled week! Please ensure you read all of the information sent out and let us know if you have any questions. Please do get in touch if you can help on Sports Day, Wednesday 22nd June.

Today's ACE MUSIC MIX was chosen by Mr Cox – I hope you have a beautiful weekend!
