## Hello from the Head...

It has been a busy week here, with lots of activity! We kicked off with our Daily Mileathon on Monday; the children really enjoyed the tag team challenge and we raised £50 towards our school library. Our Penguins went out on an extra trip to Baconsthorpe Castle and had a fantastic time. Leo, India, Armin and Rowen from Sharks class were in the STEAM finals at Gresham's and did really well in all of the activities...we are very proud of them. On Thursday some of our Turtles, Penguins and Dolphins took part in a Dodgeball festival - had a great day and showed ACE teamwork. So many opportunities and experiences for our children to enjoy! We also really enjoyed meeting some of our new September Bears at the picnic yesterday and can't wait to welcome them to the Astley family.

Today Bears class will receive their annual reports and other classes will receive a short data report, including an attendance figure for the year. This data report is a simple snapshot of where the children are at in Reading, Writing and Maths. Please remember, that attainment has obviously been largely impacted after the last two years, and as a leadership and teaching team we look very closely at progress and are proud of the progress children have made from their starting point this year. Your teachers will be able to discuss this with you more at Parents Evening next week. Year 6 SATs results will be shared on Monday, as our Sharks are at Reepham High Induction today.

Next week is ACE YEAR AHEAD week! The children will all be spending lots of time in their new class for September. They will be based in their new classroom with their new staff team, and on Monday morning will go straight to their new room. For example, our current Year Two Tigers will go straight to the Year 3 Turtles classroom in the main building. There will be no set PE days next week, instead the class teachers will let the children know PE plans as the week progresses. There will be no Forest School next week, but there will still be swimming lessons as usual on Thursday.

During the last week of term, your children will be bringing their exercise books home from this year. Our curriculum leaders will be keeping a sample of books for evidence, which will be returned to you during next year. Please send your child in with a strong bag for taking their books home in!

**WE are SO EXCITED to have two amazing pieces of sporting news:**

1. We have been awarded the **PLATINUM KS1 SPORTING STARS** award – [we are the first and only school in Norfolk to ever achieve this award!](#)
2. We have been awarded the **Gold Norfolk School Games Award!**

We are so very proud of these achievements and a big thank you goes to Miss Wreford for her hard work and all of the Astley team for their brilliant continued contributions to sports here at Astley.

Today's ACE MUSIC MIX was chosen by our Tigers and Turtles, have a lovely weekend.
