Hello from the Head...

Happy New Year...I hope you had a lovely festive season and enjoyed some quality time with family and friends. This week I talked to the children about our learning theme 'Connect.' This is one of our 'Five Ways to Wellbeing' which are scientifically proven to improve happiness. 'Connect' is all about taking time and space to engage with others, really hear them and develop relationships. This could be playing a game, sharing a book, or just having an uninterrupted conversation. These things are often easier to do in the holidays, when we have more time, but I have set the children (and grown ups!) the challenge of trying their best to do this at other times too.

It has been so lovely to see the children back and enthusiastic about their learning. Class letters will be coming out today with all the information you will need for the coming term. As always, if you have any additional queries please let us know.

Please ensure your child is coming to school in the correct uniform and PE kit. PE tops should not have large logos or markings on them; t shirts should be white or house team colour and jumpers/hoodies should be black or navy and plain. Please let your class teacher know if there are any issues with this.

EXCITING NEWS...Behaviour Sessions will take place on Monday 23rd January with Mr Seager. He ran an evening session last term which was poorly attended, despite requests for it. There will be two sessions on Monday 23rd, one at 9am and one at 2:15pm. This is a great chance to come and learn about our behaviour policy, our ethos and an opportunity to ask questions and learn more. We look forward to seeing as any of you there as possible.

Today we are enjoying Mrs Hamilton's Music Mix!

Have a wonderful weekend.

Mrs Goakes
