Hello from the Head...

We have had a super week with lots of enriching opportunities and experiences. Turtles, Tigers and Lions were fortunate enough to have a visit from Scientist Rob Kelly Bellow, where the children explored microscopes and were very excited to get involved with Science in a hands on way.

We are so proud of Dolphins and Lions classes, who have over the past two weeks been completing their Multiplication Check and Phonics Screening checks respectively. Their progress is really pleasing, and it is clear how hard they have been working. Results will be shared on the annual reports in July.

Penguins had a super day out at Norwich Castle yesterday learning all about Ancient Civilisations. Thank you to our great parent helpers for joining us on a super day out.

Shout out from Miss Harrold – do you have any loose parts you can donate to school? We are on the hunt for parts such as shells, buttons, pine cones, coins, screws, bolts... and anything else you have spare! Please send donations to the office, thank you in advance.

We are really looking forward to Year 6 Careers Day next Wednesday, and each class will also get the opportunity to have a visit from the Fire Crew. We also celebrate our DT ACE Day on Thursday of next week.

Mrs Canty has chosen our feel good tunes today, enjoy the weekend.
