## Hello from the Head...

We have so enjoyed the sunshine this week and it has been fantastic to make the most of our beautiful school grounds. Please ensure all children have a water bottle, sun cream (either already applied or one they can apply themselves) and a hat as necessary, so we can continue to make the most of the weather.

Wednesday was a fantastic day – our inaugural Careers Day for our Sharks Class. Year 6 learnt all about career opportunities, the range of skills and experiences you might need for a variety of jobs and had some visits from a range of professionals. A big thank you to Miss Harrold and Dr Pickhaver for organising the day, and for all of the inspirational visitors who came to talk to the children. Each class were also lucky enough to visit the Holt Fire Crew out on the field where they learnt lots and had a great time.

Thursday was another enriching and special day as we celebrated our Design Technology ACE Day. The day focused on the principles of DT and thinking about the purpose and marketing of a product. It was an excellent day and we were very impressed with the range of work produced. Please join us at Open Morning today at the usual time of 8:30am to see work in classes.

It has been brought to my attention that there have been a few instances of car safety issues when arriving to school. Please ensure for the safety of all, that children are transported to and from school safely using the correct car seats etc, where appropriate.

Monday 23<sup>rd</sup> June is Class Photos – please ensure children are smart in school uniform, ready with their best smile!

You will have received a letter and poster about Active Week – please let us know if you have any questions following this information. Miss Broughton picked our Friyay songs today – enjoy and have a lovely sunny weekend.
